

KEEP YOUR BIKE SAFE

Keep your bike attended.

If you leave your bike unattended, do some security measures.

Lock your bike to a firm object.

Don't lock bike by the the wheel.

Don't skimp on safety.

In auto-camps leave the bike on provided and secured location or close to the reception.

YOUR WALLET IN SOMEONE ELSE'S POCKET

Pickpockets love crowds.

Be particularly careful in crowded places (bus stops, railway stations, stadiums, sports halls, discos ...). Mobile phone should never be worn around the neck! Carry a wallet in the inner pocket or in a belt bag.

Carrying bag over a shoulder is invitation to a thief!

Be careful when removing a wallet in a public place.

Bank cards should be kept aside from PIN code. Money should be always exchanged in bank branches, post offices or other financial institutions!

IF HAPPENS THAT YOU GOT MUGGED

Look around, maybe you will find your wallet— put it in a pouch and hand over to the Police (they may find useful traces), about the incident promptly inform the police **by calling on 192**

SAFE VACATION

**ADVICES FOR
SELF-PROTECTIVE
BEHAVIOR**

Summer is the time for vacation, relaxation and visits to the beach. Keep your assets to avoid unwanted consequences. Criminal offenders use relaxation and carelessness of citizens.

AVOID PROBLEMS ON THE BEACH

Don't carry wallets and valuables to the beach (cell phones, laptops, etc.). Carry only as much money as you really need. Don't show without the need in front of others money and other valuables. Personal documents and money don't carry together. Bank card, keep aside from the noted PIN. Do not leave personal belongings unattended. Be aware of the intrusive people who are offering assistance - **not all have good intentions!**

BURGLARY—THEFT: IT MAY HAPPEN TO YOU!

When leaving the room and apartment close all windows and doors.
Don't leave valuable items on balconies or yards.
Don't leave keys of the room or apartment on easy approachable places.

Good neighbour—safe home!

Don't neglect events in your neighbourhood—be updated.
Remember faces of strangers or suspicious persons that you encounter in the yard or on stairways.
House and apartment owners—install the alarm system!

STOP BREAKS INTO CARS

Close and lock all car doors and windows when leaving the car.
Don't leave valuable items (bags, wallets, laptops, cell phones, cameras) on visible places.
Don't leave the keys and documents of the vehicle.
Don't store things in the trunk of a car before leaving - maybe you're being watched.
Install an alarm system!

Think through—did you miss something of the above mentioned and helped to the burglar !!!!!

If you got mugged don't touch anything, in order not to destroy evidences – call the Police immediately!
